“A WORLD IN A SCHOOL”

*The Carlos Rosario School Song
Written and recorded by Carlos Rosario School students and staff*

We come from all over the world
To Washington DC
Connected by education
We bring our cultures and dreams

We share bright hopes for the future
Learning, improving our lives
A path to reaching our goals
A school that's yours and mine

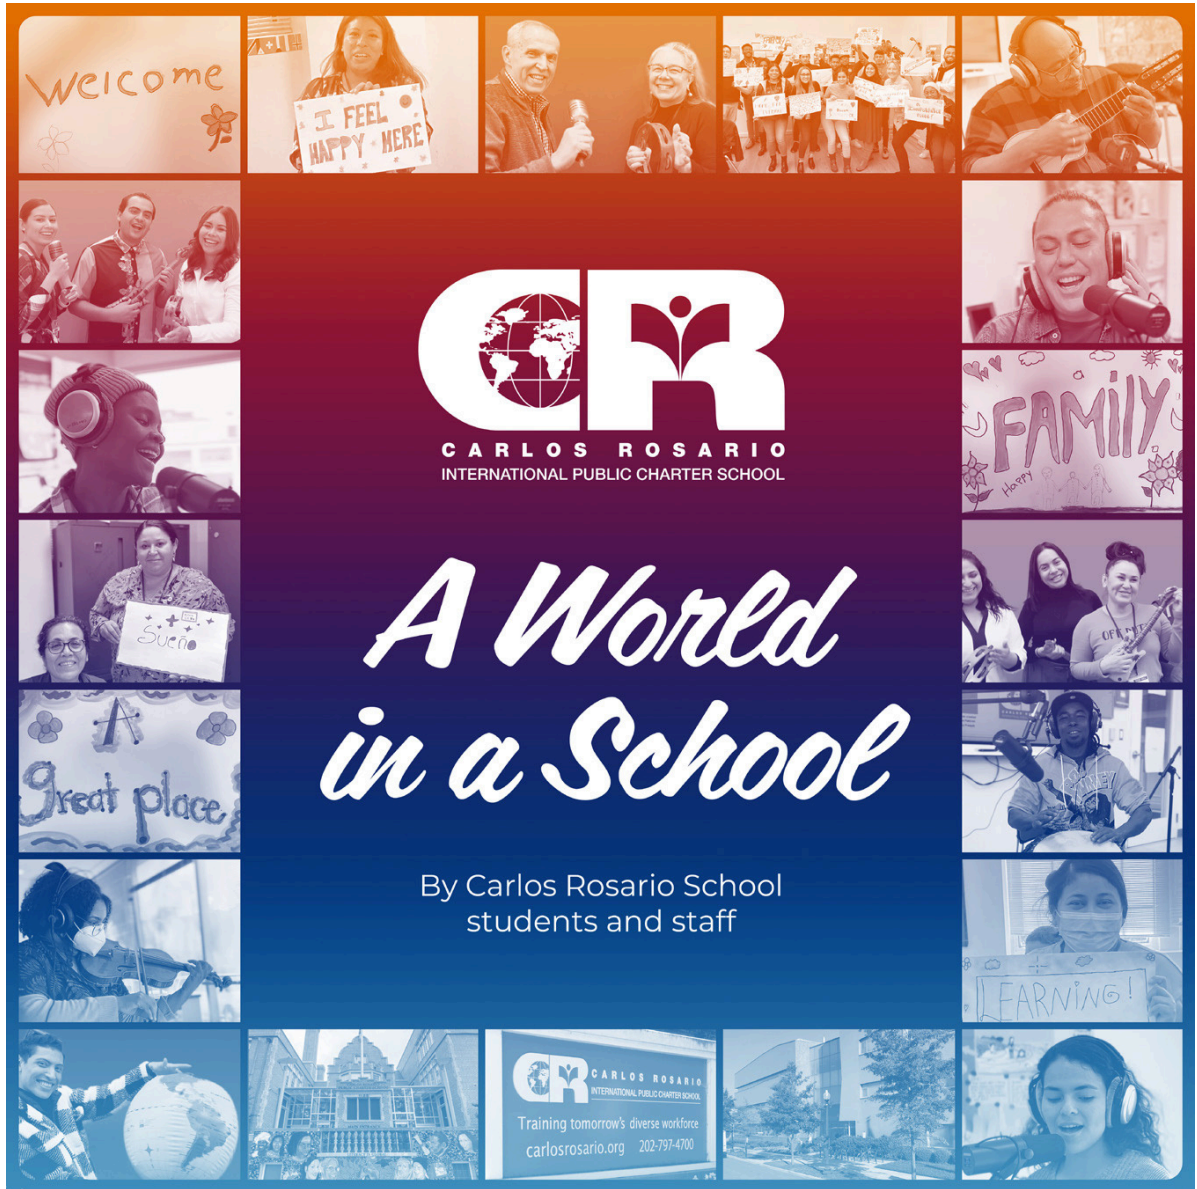

***Carlos Rosario School
It's me and you
Carlos Rosario School
A world in a school***

We share many things in common
Inclusion, kindness, love
A unique, safe, special place
Where everyone is welcome

In this place we can feel happy
A diverse family
Amazing staff and students
A home to you and me

***Carlos Rosario School
It's me and you
Carlos Rosario School
A world in a school***

We are hope, we are peace
And we are the future
All nations together
A world in a school
